Services!

We want to know about your recent experience.

The National Center for State Courts, in coordination with the 10<sup>th</sup> Judicial District Court of Kansas/Kansas Supreme Court, is conducting a survey of court users, like you. Your participation in this survey will help us learn how people experience court services and may lead to improvements in how court services are delivered in the 10<sup>th</sup> Judicial District Court.

We want to know what you think.

Your participation is voluntary, and your answers will not be connected to or influence any case or business you have before the court.
